To Whom It May Concern:

Dr. Clemenza and Keystone OMS invite you to be part of the Second Annual Clemenza Scholarship Fundraiser Golf Outing. The event will be held at Avalon Golf and Country Club – Buhl Park in Hermitage, PA on September 8, 2023. All proceeds from this golf outing will go towards The Scholarship Fund for Drs. Carolyn and Mariann Clemenza.

Dr. John Clemenza created two scholarships in memory of his sisters Carolyn & Mariann. The recipients of these awards must embody the spirit and passion for family, religion, and education. These scholarships serve both traditional and non-traditional students attending colleges and universities pursuing an education in the healthcare field. The scholarships are open to women from Mercer, Lawrence, and Trumbull counties.

With a field of over 100 attendees, the outing is the perfect occasion to support a great scholarship fund, advertise your business, and reach potential customers through a sponsorship opportunity. A program will be handed out to all golfers including the advertisements of all participating sponsors in the outing during the banquet portion of the event. Tee boxes will feature signs with your logo and business. Additionally, we welcome your business's participation in the outing by sponsoring a tee box and playing in the event! The sponsorship pricing is as follows:

***DIAMOND SPONSOR:** Foursome, Full Hole Sponsor, and Program Advertisement: \$950.00

***GOLD SPONSOR:** Full Hole Sponsor and Program Advertisement: \$500.00

***SILVER SPONSOR:** Shared Hole Sponsor and Program Advertisement: \$250.00

Please make checks payable to:
